HILLSBORN AS AMERICAN MAN

(Taken from "The West Virginia News" Sept. 23, 1932)

The playing of football at Hillsborn dates back to the beginning of the school in 1912, 1913. The beginning of interscholastic games came a few years later and up until the time of the World War the school missed only a few years of being represented by a football team. During this time the school was represented by such athletes as Glen Calkins, later coach at Shenandoah College. Other players at this time were the Long brothers, Russ and Abe Buford. Russ later became a second all-American and while playing with Pennsylvania State and had the privilege of playing in a Rose Bowl game. Many athletes mentioned have made names for themselves. During the war football was dropped, a number of the athletes have joined the Army.

After the war, football was revived and with the exception of a few years Hillsborn has had a team representing the school. During the years since 1919, many outstanding players have performed, such as the Warren boys. Claude was later recognized by the nation as an outstanding player on the D. & L. Scarlet Champions. Henry Rogers, Alexander and Andrew McLaughlin (Alexander is of New River State College and Andrew is of Shenandoah.) Following on down we have had the Grimes brothers, the four brothers, Joe Kramer, Francis Hock, Tom Addison, Brulley, Sanford Kirk, Fred Bull and Paul Smith. This is a partial list of outstanding men that have taken part in the games at Hillsborn. We come down now to the present season where we place hopes that one or two of our present men will replace any other athletes of the school.

Fred Bull, a member of the class of 1932, won first place in the shot put, discus throw, and the javelin at the western track meet at Gettysburg Military School during his senior year. Through his junior year he won the hammer throw the last year it was held in W. Va. high schools. Mr. Bull participated in two state track meets.

CLASS SONG "ONE MORE SONG"

No longer in our classes,
They'll gather day by day,
No longer lads and lasses,
They'll walk the self-same way,
Another duty calls them
A wider path awaits
And they must leave these portals,
These dear familiar gates
Chorus
Join in one more song together
Join with all your heart,
Thus has met the classmates rather,
We must drift apart;
Come, a store of memory bringing
From the happy past;
One more song together singing,
One more song, the last.
No more the morning greeting
Of comrades tried and true,
No more the daily meeting
Our problems to renew,
They're stepping out together,
But as they pass the door,
They take no varied path-ways,
They walk as one no more.
Chorus
Yet other earnest faces
Will shine where theirs have shone,
These dear familiar places,
Shall not be left alone;
For year by year undimmed,
Our Alma Mater true,
Will send her loyal children
The world's new work to do.
Chorus

CLASS HISTORY

Our Freshman class consisted of 19195-1940 members.

Our class motto "A winner never quits, a quitter never wins" was suggested by our home room teacher Mr. William Smith. We retained it through our Senior year and it seems a great, motivational motto.

There was a... .. prevented from being... .. of space—fortunately, for some—regrettably for others.

Seven members of the Greenbrier Valley Conference Championship Football Team were members of our class.

Coach Alvin McLaughlin's training rules were: No smoking, no drinking, no sweets or soda pop, no drugs. 10:00 P.M. The team ranked top physical condition being only four points at times a day.

During September and January years we were active in
making our time while make our campus so beautiful.

Mr. George Grier
Principal, English Studies
Teacher.

1. The first step is to identify the problem.
 2. The second step is to define the problem.
 3. The third step is to analyze the problem.
 4. The fourth step is to develop a solution.
 5. The fifth step is to implement the solution.
 6. The sixth step is to evaluate the solution.
 7. The seventh step is to monitor the solution.
 8. The eighth step is to maintain the solution.
 9. The ninth step is to improve the solution.
 10. The tenth step is to document the solution.

Henry Sampson
He is tall, dark & has
dark unimpeachably hair & certainly
light

Arthur LeBarbier "Art"
He has a craving for food
And to all ladies he is ready made.

Arden Wines "We
He is called "Winery"
He is a good sport and a bit
of a funny.

I will be back soon
She may be alone
She may be gay
But she's a pure old soul
In a rare old way

Marguerite Dueman
"Margie"
This lady has been faithful
through five years
and she is a woman who can
cry like a babe.

Barthelmann "Jack"
She is shy and sensitive
And from this world she wants
A little more.

James Miller
They say he's a Jewbreaker,
like a great big,
fine with all the ladies he
finds in a minute.

... for the first time, she's back to work
! and.

Not a bad early "Nattydinville"
Nattydinville is a town living with
nothing can keep her from reaching
first goal.

Mrs. Fay Moore

The members of the Hillsboro High School Alumni Association take this opportunity to express our sincere appreciation for Mrs. Fay Moore's many hours of work and dedication in completing our third Hillsboro High School Yearbook.

Mrs. Moore is a graduate of Berea College, received graduate credit from the University of Kentucky, and received her Masters degree from Marshall University.

Mrs. Moore taught previously at Ellettsburg and at Williamson in Mingo County, and has taught English and French at Hillsboro High the past eight years. In addition to her teaching, she has been Co-sponsor of the senior class and yearbook sponsor for the entire eight years.
